

Says

What have we heard them say?
What can we imagine them saying?

we say that metro politan areas are pillars of india's commerce and econimis developent

here lots of company , schools and hospitals

so many peoples dream are stay in the city house

Thinks

What are their wants, needs, hopes, and dreams?
What other thoughts might influence their behavior?

In the city is very demand,because nearby hospitals,schools and then so many companies

peoples want water facilities,so the rent is increase

house is big and comfortable so is prise increas

that buying a house is more affordable

sharing a room with team mates

to manage land buying we can use EMI option

the house rent is modified by that the areas

educated peoples are more than stay's in the city

looking for low price rent

Does

What behavior have we observed?
What can we imagine them doing?

Feels

What are their fears, frustrations, and anxieties?
What other feelings might influence their behavior?
